Project: Repair and Repainting (R&R) Works at D'Leedon

From: Mr. Wu Wenlong (Chairman, MCST 4288, D'Leedon Condo)

To: Jotun (S) Pte Ltd (Paint Manufacturer) and SS Contract Services Pte Ltd (Applicator)

Attention to: Mr. SAW, Sr. Project Manager / GM (saw@sscontract.com.sg)

Dear Sirs,

Project Testimonial: Letter of Commendation for excellent repair and repainting services at D'Leedon Condo, Mega Size Project.

On behalf of the Management Committee of MCST Plan No. 4288, I am delighted to express our sincerest appreciation and commendation to SS Contracts and Jotun for their exceptional work on the Repainting and Repairs (R&R) project at D'Leedon.

As Chairman of the Management Committee, I am pleased to acknowledge the outstanding efforts of SS Contracts and Jotun in completing this complex project to the highest standards. The project's success is a testament to their expertise, professionalism, and dedication.

We are delighted to express our sincerest appreciation and commendation to SS Contracts and Jotun for their outstanding work on the Repainting and Repairs (R&R) project at D'Leedon, a mega-size condominium complex comprising seven 36-story towers, with a total of 1,723 units.

Designed by the renowned architect Zaha Hadid, D'Leedon's unique, curved design posed significant challenges for the R&R project. The complex's sheer size, intricate architecture, and high-end finishes required exceptional expertise, precision, and attention to detail.

Specifically, the building's design features that posed challenges to the painting works included:

- The complex's curved façade, which required specialized scaffolding and rigging systems to ensure safe and efficient access.
- The numerous balconies, planter boxes, and architectural features, which demanded precise painting and repair work to maintain the building's aesthetic appeal.
- The high-rise nature of the building, which necessitated the use of specialized equipment and safety protocols to prevent accidents and ensure compliance with regulatory requirements.

d'Leedon

Despite these challenges, SS Contracts demonstrated unwavering dedication, professionalism, and technical expertise throughout the 1.5-year project. Their team successfully navigated the complexities of D'Leedon's design, ensuring that all work was completed to the highest standards.

We would also like to commend Jotun for their high-quality products, which played a crucial role in the project's success. Their paints and coatings not only met but exceeded our expectations, providing a durable and long-lasting finish that enhances the aesthetic appeal of our condominium.

Please accept our sincerest gratitude for a job exceptionally well done. We highly recommend SS Contracts and Jotun to any organization seeking reliable, skilled, and experienced partners for their construction and maintenance projects.

Best Regards,

Mr. Wu Wenlong
Chairman, 9th Management Committee
For and on behalf of The MCST Plan No. 4288
